

Cards to Troops Information:

Cards are due to the Overlook by 4:00 PM on November 19th. The cards must be mailed and arrive to the USASOA by December 5.

- Please send the card only - no envelopes, keep the envelopes for your personal use.
- If you are making Christmas cards, do NOT use glitter or any other product that could come loose when we open the box or envelope in which you will be mailing us your cards. Our office is within walking distance to the United States Capitol and security is of paramount importance these days.
- Please do NOT send any homemade cookies or other homemade baked goods, unfortunately that is the world in which we live. You may send commercially wrapped and unopened, non-perishable food or snack items.
- Personal messages of peace and good-will as well as 'Thank You For Your Service' can be written in the cards. Feel free to use religious or nonreligious Christmas cards, we leave that up to the individual and we respect both.
